

# Winona State Baseball HitTrax League – 2025

## **WHAT IS HITTRAX:**

HitTrax is the first and only baseball hitting simulator. It's technology that delivers innovation to baseball players, parents, and coaches by measuring real-time hits and displays live results on a monitor. See link: <https://www.hittrax.com/>

## **WHAT IS A HITTRAX HITTING LEAGUE:**

HitTrax Leagues are the ultimate way for players to get more At-Bats in a competitive game environment. Games are played using HitTrax which simulates a game in any MLB stadium that is scaled based on the age level of the players. The games are 6 innings and we will play Doubleheaders each date. Pending age group we will do short toss, coach pitch, and/or machine pitch games. League standings are kept as well as individual statistics for all teams.

## **WHO CAN SIGN UP FOR THE LEAGUE:**

4<sup>th</sup>-12<sup>th</sup> graders. Teams will be assigned by grade of player and registration numbers will dictate how many teams are in each age-appropriate league.

## **WHEN ARE LEAGUE GAMES PLAYED:**

Your team will be assigned a 45-minute time slot to play your league games on Sunday afternoons/evenings. League games will be played on January 12<sup>th</sup>, 19<sup>th</sup>, 26<sup>th</sup>, and February 2<sup>nd</sup>. The Schedule will be put together and times assigned after registration is completed. Younger groups will go earlier, and high schoolers will have the later game times. The 1st games will be scheduled as early as 1 PM and the last game each Sunday will be scheduled as late as 8 PM.

## **WHERE ARE LEAGUE GAMES PLAYED:**

HitTrax League Games will take place in Winona State University's Memorial Hall, Baseball PIT (very limited seating for spectators).
